

BIG TIME PLAYTIME

That's The Power of Play.

BIG TIME PLAY TIME

SUMMER CAMP AT THE YMCA OF METROPOLITAN CHICAGO IS UNLIKE ANY OTHER EXPERIENCE.

IT'S A TIME FOR YOUTH TO STRETCH THEIR IMAGINATIONS.

FLEX THEIR CREATIVITY MUSCLES.

LEARN NEW AND EXTRAORDINARY SKILLS.

CONQUER THE TOUGHEST OF CHALLENGES.

AND PLAY UNTIL THE LAST WHISTLE BLOWS.

At the YMCA of Metropolitan Chicago, we know that when we play, we grow. When minds are let loose to explore and create, to experiment and make mistakes (and try again!), magical things can happen. That's why we put play at the center of everything we do. Y Summer Camp creates space for youth to show up with an open mind and play, setting our campers up for personal growth, discovery, and life-changing experiences.

We can't wait to see how our campers discover their favorite ways to play all summer long!

New for 2025, the Y is introducing Half-Day Sports & Aquatics Intensives: dedicated, abbreviated sessions focused on one sport, activity, or category that provide campers and their families with extra fun, flexibility, and the opportunity to try something new! Sports & Aquatics Intensives can be attended as standalone sessions or in conjunction with concurrent camp sessions.

The health, safety, and wellbeing of our campers and communities is the YMCA of Metro Chicago's highest priority. Under the supervision of our experienced staff that are trained in first aid, CPR, child-abuse prevention, water safety, and health and safety protocols, youth will experience a full day of play, exploration, learning, and personal growth. Many of our counselors and staff, themselves, attended Y Summer Camp, which ignited their own passions for helping youth make friends, develop skills, and — of course — have fun.

INSURANCE

The YMCA of Metropolitan Chicago does not cover program participants for medical, accident, or loss of personal property. Please review your family's insurance policies to be certain that proper coverage is in place.

FINANCIAL ASSISTANCE

At the Y, we firmly believe that everyone should have the opportunity to participate in our programs, services, and offerings, including Summer Camp. The YMCA accepts Child Care Assistance (CCAP) Funds, a child care financial assistance program provided by the Illinois Department of Human Service for families with parents that are employed or attending school. Applications are available on the YMCA website, through your Camp Director, or at the front desk. If you plan to take advantage of CCAP, please plan to meet with your Camp Director to complete the application or for review to make the process as smooth as possible.

PLEASE NOTE:

- The process for applying can take up to 45 days for new applicants to receive approval. Families will need to provide their household income to qualify, and the Y requires an approval letter before the first week of camp. After you are accepted in the program, you are responsible for paying the parent assigned monthly copay each month. If you qualify, your assistance can be applied for all of your weeks of camp. Financial aid is available for the difference between what CCAP covers and the cost of camp.
- If you do not qualify for CCAP, you will receive a denial letter. Please submit the denial letter to the Y and you can apply for Financial Assistance through the YMCA of Metro Chicago. YMCA assistance is available for those needing help to pay for camp. Assistance is based on annual income and family size. Funds are limited and are available on a first come first serve timeline.
- A deposit is required to hold your child's spot in camp, even if you have applied for financial assistance through the Y or a third-party organization.
- Waivers and reduction of fees are available, subject to facility and demonstrated need. Applications are available via your camp director, enrollment coordinator, or at the Y membership desk during regular business hours at your local Y. Additional information and requirements may apply.

ABOUT THE Y

ABOUT THE YMCA OF METROPOLITAN CHICAGO

In line with our mission to strengthen community by connecting all people to their purpose, potential, and each other, the YMCA of Metropolitan Chicago serves more than 300,000 individuals each year through an association of 25 Community Hubs — including five overnight camps — and 100 extension sites across Chicagoland and the Midwest.

Our camps are accredited by the American Camping Association (ACA), and that's your assurance that our Summer Camps are committed to the highest standards established for the camping industry. Accredited camps have their operations scrutinized and reviewed by camping professionals who know and value quality camping.

With more than 40 hours in training prior to the start of camp, our Counselors are trained in CPR, first aid, child abuse prevention, emergency procedures, water safety, and other health and safety protocols. We also ensure campers have the attention and intimate experience they deserve, and we follow the ACA guidelines for counselors-to-campers ratios: 1:6 (3 to 5 years of age), 1:8 (6 to 8 years of age), and 1:10 (9 to 15 years of age).

OUR COMMITMENT TO DIVERSITY, EQUITY, AND INCLUSION

The Y recognizes equity, diversity, and inclusion as core components that are critical success factors in achieving our mission to strengthen the community by connecting all people to their purpose, potential, and each other. We are committed to curating and cultivating an inclusive culture.

At the YMCA of Metropolitan Chicago, we believe that everyone, regardless of ability, race, gender, income, faith, or sexual orientation has the right to live life to the fullest and enjoy the Y's programs and facilities.
