To reduce waste, you're encouraged to bring your own mug! If you'd like to bring any treats to share with other campers you are welcome to do so and leave them in the Welcome Center. (If you make something please label what's in it for those with allergies!)
ALL WEEKEND	Winter Animal Tracks Hunt—Welcome Center In the Welcome Center, there are some animal tracks reference pages for you to borrow and take on your adventures around camp. These pages show the different types of animals that you may be able to spot around camp but they're more shy in the winter so the best way to know they're here is by their tracks! See if you're able to find any and please share with camp staff your findings!
