I agree to the following policies regarding camp fees:

- Fees listed are per child; per session; fees cannot be transferred between campers; once enrolled there is no fee to switch sessions within the summer.
- A non-refundable, non-transferable administrative fee of \$150 per camper, per session is due at the time of enrolling. - If I cancel my child's session up to ten days before the start of his or her session, I understand that the camp will refund to me all monies paid except the \$150 administrative fee. If my child cannot attend camp due to an illness or injury and I cancel within ten days of the start of the session, the camp will refund 50% of all fees paid upon receipt of a physician's written notice.

# YMCA Camp MacLean Summer 2025 Program Descriptions

## Legacy Camping Options

### **Explorer Program for ages 7-12 (four day, one-week or two-week options – dates available all summer)**

Our popular Explorer program is the classic camp option, providing campers with a chance to gain new skills and create unforgettable memories! Children are placed in cabins by age and gender, with a counselor, junior counselor, and up to nine other campers.\* In a typical day, Explorers spend the day participating in activities such as archery, arts & crafts, teambuilding, sports and nature, with an hour swimming in Rockland Lake during camp's general swim. Evenings are spent enjoying games, campfires, sing-a-longs, or the Mt. MacLean Skyway.

### **Pioneer Program for ages 13-16 (four day, one-week or two-week options – dates available all summer)**

Our Pioneer Program focuses on providing our teen campers with a more challenging & age-appropriate camp experience as compared to our explorer program. Activities encourage self-esteem and strong peer relationships. Highlights include a camping trip to the Kettle Moraine State Forest, in which campers participate in hiking, exploring, and outdoor living skills. Pioneers signed up for our two-week Pioneer program also take part in a canoe trip on the Fox River. Pioneers participate in a range of activities to gain teambuilding skills such as the adventure course, Mt. MacLean Skyway, watersports on Camp MacLean's waterfront and recreational games. Pioneers will attend a teen social giving an opportunity to relax, have fun and form a bond with their peers. It is highly recommended to enroll your Pioneer for a two-week session. By enrolling in a two-week session, campers develop stronger relationships, skills and experiences beyond a one-week session. During these two-weeks, your camper will have an opportunity to participate in an overnight camping trip and canoe trip.\*

*\*Campers must pass our blue level swim test to participate in the canoe outing. Those campers who are at different swimming levels will be assigned an alternate activity.*

## Teen Specialty Camping Options & Horseback Electives

### **Aquatics Camp for ages 11-13. (Session #6: July 20 – August 1, 2025)**

Does your camper love the water? Our Aquatics Camp program provides all the fun and excitement Camp MacLean's beautiful lakefront has to offer. Aquatics camp is a two-week program designed to immerse campers in a variety of water related skills and activities, while also developing character, confidence, and teamwork. Aquatics campers will share a cabin and have meals with others in the program. They will spend more than five hours each day enjoying our waterfront, while also having the chance to participate in traditional camp activities like archery, the Mt. MacLean Skyway, and a campout. Throughout this two-week experience, your camper will have an opportunity to participate in a variety of aquatic activities such as snorkeling, sailing, kayaking, windsurfing, canoeing, distance swimming, and more! Due to the advancement of these activities, your camper must pass the "blue" level swim test. The "blue" level swim test requires campers to demonstrate and be skilled in front crawl, breaststroke, elementary backstroke, sidestroke, and display endurance in the water.

### **High Adventure Camp for ages 12-16 (Available Session #1; #2; #3; #4 and #7)**

Our longest-running one-week teen specialty program, High Adventure Camp is designed specifically for teens ready to push themselves beyond their comfort zone. The weeklong experience challenges campers with over 15+ unique teambuilding activities including our forest high ropes courses, Mt. MacLean Skyway, and ziplines. The highlight of our high adventure camp week is a trip to the Boundless Adventures high ropes course in Kenosha County. All our high-rope activities are operated under strict guidelines and include state-of-the-art safety systems. Our well-trained staff provides an environment of "challenge by choice", meaning your camper may choose how far and how much they would like to be challenged.

### **Devil's Lake Rock Climbing Trip for ages 13-16 (July 20 – July 25, 2025)**

Is your teen interested in an outdoor climbing and camping adventure? This program offers teens the opportunity to develop confidence and self-esteem while experiencing the popular sport of rock climbing. This six-day experience combines the challenging activities found in our High Adventure Camp program with the highlight of a three-day trip to Devil's Lake State Park where campers will climb rock bluffs overlooking scenic Devil's Lake. While campers are belayed for safety, the challenge, courage, and sense of accomplishment are real. Our trained staff will provide an environment of "challenge by choice" to ensure each teen progresses at his/her own pace. This program includes tent camping, rock climbing, outdoor cooking, ropes courses, and hiking. Our staff will teach all the necessary camping and climbing techniques needed for the week. This program is designed for those wanting to learn basic back-country camping skills. Campers will learn the basics of backpacking, trail camping, cooking and outdoor living. Experienced staff will accompany the campers during this journey, providing an encouraging environment for campers to learn all the necessary techniques needed on the trip.
